The applicant has deposited the amount of \$_____. It has been received with the understanding that it will not generate any interest, and that it will not be applied to rent if the contract is entered into. On the other hand, if the application is not approved or for any reason should the Landlord decide not to rent the property, the deposit will be refunded. Having received the security deposit does not mean that the applicant is approved. This application is made with the understanding that it is subject to approval by an approved official of Performance Property Management. The signature represents that the above mentioned information is true and complete and authorizes Performance Property Management to verify it and the references given.

I hereby state and represent that the information in this application is complete and accurate. I hereby authorize Performance Property Management to obtain information about me, including, but not limited to, this application, my credit, my tenant history, any court records and/or my criminal record, and I hereby authorize & instruct any entity or person contacted by Performance Property Management or their agents to release such information to them. I understand that a return of the security deposit will only be made against "good funds," and if a check was presented then it may take a few days to wait for the check to clear.

In the case that the application is approved and the applicant changes his/her mind about renting the property **FOR WHATEVER REASON**, then the applicant understands that he/she will **lose** the **security deposits** as compensation for, the cost of the application process, the reservation and preparation of the property and for the opportunity cost of not searching for other potential renters **NO MATTER HOW MUCH TIME HAD ELAPSED**.
